Hotel accommodations are double occupancy. Single Room Supplement \$350.

Sightseeing excursions are by private minivans that pick you up at your hotel and return to your hotel. The minivans are permitted to enter the center of Siena, Orvieto, Perugia,

Lake Trasimeno and Rome. There are no lengthy walks necessary for sightseeing.

The daily schedule has many activities but allows ample time for shopping, relaxing and personal exploring.

Assisi is a 2000 year old city built on the slopes of Mount Subasio. The temperature in July is usually in the mid 80's during the day and low 70's at night. Your Hotel is located in the center of the historic part of the city. Piazza Comune, with restaurants and outdoor cafes, is only a few feet from your hotel. Your hotel has free WiFi.

## Sightseeing

All sightseeing tours originate at the hotel front door and return to the hotel.  
There are no lengthy walks involved in sightseeing.

## Meals

Dinners in Assisi are served in the hotel dining room and are of excellent quality.  
There are no problems regarding dietary restrictions.  
Breakfast is also served in the hotel dining room and is generous.

## Money

ATM machines are available that are convenient and offer a good rate of exchange.  
A bank card with the VISA logo is necessary.  
Be sure to notify your bank that you will be using the card in Italy.

## Special Assistance

A tour manager is available for questions and assistance.  
Wheel chair accessibility is available.  
The prices quoted are valid until March 1.
