

## De Colores!

De Colores / the fields love to dress in all during the springtime

De Colores / the birds have their clothing that comes every season

De Colores / the rainbow is vested across the blue sky

*De Colores and so must all love be of every bright color to make my heart cry (2X)*

De Colores / we witness the sun up on clear and bright mornings

De Colores / the sun gives its treasures God's light to his children

De Colores / the diamond will sparkle when brought to the light

*De Colores and so must all love be of every bright color to make my heart cry*

Joyfully / we will live in God's friendship because he has willed it

Faithfully / we will slake the great thirsting of Christ the immortal

Joyfully / we will bring to our Savior a harvest of souls

*Pouring outward the light from within the grace of our God His Infinite Life*

Missionaries / of Christ with His courage determined to conquer

Cursillistas / who don't pay attention to human opinion

Let the cowards Let the cowards deride us and taunt us but it is the truth

*That they really desire the pleasure of being in grace in colors with us*

All the colors! / of life that today abound all around us!

All the colors! / to feast our eyes on, His loving Creation!

All the colors! / that are in all people His loving Work!

*All the colors and so must all love be of every bright color to make my heart cry!*

Sings the rooster / with his quiri quiri quiri quiri quiri

And the cluck hen / with her cara cara cara cara cara

And the babe chicks / with their pio pio pio pio pi

*De Colores and so must all love be of every bright color to make my heart cry! (3x)*
